

Energy Efficiency Ratings - Gas Boilers

Search Criteria

| | |
|------------------------|-----------------|
| Product | Gas Boilers |
| Model | All |
| Brand | Trinity |
| Location | All |
| Heating Capacity Btu/h | 100000 – 200000 |
| SEUE | 0.0% – 100.0% |

| Location | Steam or Hot Water | Condensing | Modulating | Brand | Model Number | Heating Capacity | | Input Rating | | Annual Fuel Utilisation Efficiency (AFUE) % | ENERGY STAR |
|-------------------------|--------------------|------------|------------|---------|--------------|------------------|-------|--------------|-------|---|-------------|
